Notice Regarding Disclosure of a Response to “Letter of Inquiry (3)” by Nidec Corporation

As announced in the “Notice Regarding Sending of ‘Letter of Inquiry (3)’ to Nidec Corporation” dated March 11, 2025, Makino Milling Machine Co., Ltd. (the “Company”) received a proposal dated December 27, 2024 from Nidec Corporation (“Nidec”) for a tender offer for the Company’s shares with the aim of making the Company a wholly-owned subsidiary of Nidec (such proposal, the “Proposal”; the tender offer proposed by Nidec, the “Tender Offer”). In response, the Company sent to Nidec a “Letter of Inquiry” dated January 28, 2025 and a “Letter of Inquiry (2)” dated February 7, and in response to each of these letters, the Company received from Nidec a letter titled “Regarding the Letter of Inquiry Received from Makino” dated January 31 and a letter titled “Regarding the Letter of Inquiry (2) Received from Makino” dated February 14. However, in order to confirm additional matters that the Company believes are particularly necessary or useful for determining whether the Proposal would contribute to the Company’s corporate value and the common interests of shareholders, the Company sent to Nidec a “Letter of Inquiry (3)” dated March 11, 2025 (the “Third Letter of Inquiry”). The Company hereby announces that in response to this, Nidec disclosed a press release dated March 17, 2025, titled “Nidec Submits Answers to the Third Questionnaire from Makino Machine Milling Co., Ltd. (Securities Code: 6135),” which contains responses to the Third Letter of Inquiry (this “Response”).

The Company will sincerely consider the contents of the Response.

Further, as announced in the “Receipt of Initial Letters of Intent from Third Parties with the Aim of Making the Company a Wholly-Owned Subsidiary, and the Sending of the Second Request Regarding Acquisition Proposal from Nidec Corporation” dated March 10, 2025, the Company made a second request to Nidec, with a response deadline of March 14, to postpone the commencement date of the Tender Offer to May 9 and to raise the lower limit on the planned number of shares to be purchased in the Tender Offer to an amount equivalent to two-thirds of the Company’s total number of voting rights (the “Request”). However, in its press release dated March 14 titled “Nidec Announces the Status of Its Deliberation of the Additional Written Request from Makino Milling Machine, Co. Ltd. (Securities Code: 6135)” and in this Response, Nidec merely responded that it was sincerely considering the Request. While Nidec has announced that the commencement date for the Tender Offer will be April

4, because this planned commencement date for the Tender Offer is fast approaching, for the sake of consideration by the Company's shareholders, we ask that Nidec respond by March 19, no later than 4:45 p.m., which is the close of the Company's business hours, regarding whether Nidec will accept the Request.

End
